

WEST Search History for Application 10691002

Creation Date: 2009013001:45

Query	DB	Op.	Plur.	Thes.	Date
composite same fibrous same matrix	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amporous and crystalline	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats and spaces	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats and spaces and interstitial	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats and spaces and embedded	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats and spaces and embedded and fibers	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats and spaces and embedded and fibers and mineral	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats and spaces and embedded and fibers and mineral and inorganic	PGPB, USPT	ADJ	YES		01-30-2009
composite same fibrous same matrix and amorphous and crystalline and biomimetic and coats and spaces and embedded and fibers and mineral and inorganic and infiltrates	PGPB, USPT	ADJ	YES		01-30-2009
biomimetic same organic same inorganic same composite	PGPB, USPT	ADJ	YES		01-30-2009
(biomimetic same organic same inorganic same composite) same fluid-swellable	PGPB, USPT	ADJ	YES		01-30-2009
